Summary

I'm an Indigenous photographer and I reside on the Tyendinaga Mohawk Territory in southeastern Ontario, Canada. My current work relates to my heritage and includes artistic images of nature and wildlife, Indigenous culture, mankind's footprint on Mother Earth, images representative of Christian religion and faith, and lastly, humankind. In 2024 and 2025, I was selected to participate in the Toronto Outdoor Art Fair and following that I was awarded solo exhibitions in Bancroft, Ontario, Pedvale, Latvia, Dubiecko, Poland and Krakow, Poland. I operate my practice from my home and work daily to create interesting photographs while trying to identify new venues to display my artistic work.
